3. remove any proprietary notices and/or labels on or in the Software;
4. use the Software to develop any like software or other technology having the same primary function as the Software, including but not limited to using the Software in any development or test procedure that seeks to develop like software or other technology;
5. use the Software for any commercial or illegal purpose; and/or
6. use, download and/or install the Software on public Internet terminals, shared devices, and/or public computers unless specified as a permitted use in the relevant Software EULA, e.g. using OverDrive Read.
